

STRONG BODY STRONG MIND

7 DAY TRAINING PROGRAM
BY AYSUN SERTEL

ABOUT THE TRAINER

Aysun Sertel is a Personal Trainer at Crunch Epping. She loves lifting weights & believes that the key to a long, healthy & happy life is to stay fit, strong & active. The Strong Body Strong Mind program is designed to help you build shape, strength & confidence. When you want to become stronger physically, you need to also become strong mentally. Your mindset will determine how effective your training will be. My program will help you transform your body & mind into something you didn't know was possible.

START NOW

EXTRA NOTES

As with all new exercise programs it is important to consult with your doctor. If you experience any symptoms of weakness, unsteadiness, lightheadedness or dizziness, chest pain or pressure, nausea, or shortness of breath stop immediately. If you have any questions or need advice regarding this program, or have a preexisting injury that prevents you from doing any of the exercises, please consult any one of our friendly PTs in-club for personalized fitness advice.
